# Amazing Grace

(The **bold** chords are the most important. You can play those and ignore the rest. If you want, you can add in the un-bolded C7 and Am for extra color/challenge.)

**C**      **C7**      **F**      **C**      **G7**

Amazing grace how sweet the sound that saved a wretch like me!

**C**      **C7**      **F**      **C**      Am      **G7**      **C**

I once was lost but now am found, was blind but now I see.

**C**      **C7**      **F**      **C**      **G7**

‘Twas grace that taught my heart to fear and grace my fears relieved;

**C**      **C7**      **F**      **C**      Am      **G7**      **C**

How precious did that grace appear, the hour I first believed

**C**      **C7**      **F**      **C**      **G7**

Through many dangers, toils, and snares I have already come;

**C**      **C7**      **F**      **C**

‘twas grace that brought me safe thus far,

Am      **G7**      **C**

And grace will lead me home.

**C**      **C7**      **F**      **C**      **G7**

When we’ve been there ten thousand years, bright shining as the sun,

**C**      **C7**      **F**      **C**      Am      **G7**      **C**

We’ve no less days to sing God’s praise, than when we first begun.
